

MOLLY BROWN is a one year old spayed female Terrier Mix, (maybe Westie or Cairn) with the CUTEST FACE! Approx. 20 lb, microchipped, UTD on shots, wormed. She is extremely sweet and cuddly, gets along with well with adults and dogs. I also feel she would be OK with respectful children and bossy dog savvy cats. She is also very playful, crate trained, good for grooming, reported housetrained but will need to be re-trained as she has spent quite a bit of time in a shelter. She has a longer body type and terrier like coat but doesn't shed much. She is a lovely dog but will need patience, attention, basic training and lots of exercise.
